Winding Up Term 3

What a busy and exciting term we have had at Marmion Primary! Term 3 has certainly been filled with opportunities for our students to learn, participate and celebrate together, including NAIDOC Week, Interschool Cross Country, Parent Teacher Interviews, Book Week, the Faction Carnival, numerous excursions, the Interschool Athletics Carnival and, most recently, our Learning Journey. It has been wonderful to see our students involved so enthusiastically throughout the term. I wish everyone a relaxing and enjoyable holiday break and look forward to welcoming everyone back feeling refreshed and ready for Term 4.

Celebrating Music at Marmion

A big thank you to our wonderful music teachers and students for a fantastic Music Assembly.

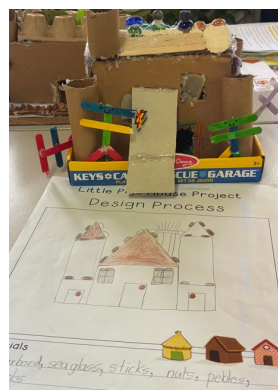

Learning an instrument takes time, patience and dedication, and it was wonderful to see our students' hard work and progress on display. We also acknowledge our Junior and Senior Choir students for their commitment to attending rehearsals and practising together.

A special thank you to our Instrumental Music teachers, Bec Pearce for her dedication to our Junior Choir, and our wonderful music teacher Ms Castle for her fantastic work with our Senior Choir and with students across the school through our whole-school music program.

Your support and encouragement make music such a special part of Marmion Primary.

Learning Journey

Our Music Assembly was followed by our Learning Journey, with classrooms opening their doors to families. It was a wonderful opportunity for parents and carers to come into the classrooms; see the work their children have been completing and celebrate their learning. Thank you to our staff and students for the effort that went into showcasing the wonderful learning taking place across our school.

Interschool Athletics Carnival

Last Thursday and Friday, many of our students represented Marmion Primary at the Interschool Athletics Carnival. Congratulations to all of our students for their effort, sportsmanship and enthusiasm on the day. A special congratulations to Sonny Smith and Josh Ferrier, who were awarded Champion Boys for year 3 and 5, a fantastic achievement!

Author Visit – James Foley

On Tuesday, students from Years 1–6 had the wonderful opportunity to meet Australian author and illustrator James Foley. It was fantastic for students to meet a real author, hear about his work and immerse themselves in his books. Thank you to James for inspiring our students and sharing his love of reading and storytelling.

CREATIVITY SHINES AT MARMION PRIMARY!

We are incredibly lucky at Marmion Primary School to have the amazing Mrs V, whose passion and creativity make Art such a wonderful part of our students' learning.

Mrs V has a fantastic ability to make every Art lesson fun, engaging and inspiring. The diversity of experiences she provides means our students are continually exploring new techniques, materials and styles, while being encouraged to experiment, take creative risks and express their own ideas.

From painting and drawing to sculpture, mixed media and collaborative pieces, there is always something exciting happening in the Art room! Mrs V ensures that students across all year levels have opportunities to develop their artistic skills while, most importantly, enjoying the creative process.

Walking around our school and seeing the colourful and unique pieces created by our students is a wonderful reminder of just how much creativity we have at Marmion.

We are very fortunate to have such a passionate and talented Art teacher in Mrs V. Thank you for creating a space where our students can imagine, create, explore and, most importantly, have fun with Art!

There has been plenty of colour, creativity and teamwork happening in Year 5, LA14!

With the encouragement of their fabulous teacher, Ms Monkhouse, the students put their artistic talents to work, collaborating to create some amazing artwork with a very special purpose — turning it into beautiful curtains for their classroom!

The project was all about working together, sharing ideas, having fun and taking pride in creating something that everyone in LA14 can enjoy. The finished curtains look fantastic and have certainly added a wonderful splash of colour and personality to their learning space.

What a brilliant way to combine art, teamwork and fun!

Well done, LA14 — your classroom is looking fabulous!

Year 5 Adventure at Ern Halliday!

Our Year 5 students recently enjoyed a fantastic day at Ern Halliday Recreation Camp! The day was filled with fun, adventure and plenty of opportunities to challenge themselves.

Students worked together, stepped outside their comfort zones and showed wonderful teamwork, resilience and encouragement towards one another. There were plenty of smiles, laughs and memorable moments throughout the day.

A big thank you to Ms Monkhouse, Mrs Tebbenhoff, and Mrs Johnson for making the day possible, and well done to our students for embracing every challenge with enthusiasm. What a great day!

EXAMPLE OF A RESPONSE

I started solving with the first problem that is:

It's Jola's birthday and she is having a party. She has 24 cup-cakes to share equally between 3 plates for the party. How many cakes will go on each plate?

(working out may vary per student)

Therefore, there are 8 cup-cakes on each plate.

Next, I started with the second problem that is:
There are 8 children coming to the party. They are all going to the cinema. How many cars will they need to take them there? Each car will hold 4 children and they will each need a driver too.

(working out may vary per student)

So, my answer is that there has to be two cars to go to the cinema.

Finally, I finished the last problem:
Jola is going to give everyone some chocolate eggs to take home at the end of the party. They fit into egg boxes which hold 6 eggs each. Will 50 eggs be enough for each of the 8 visitors to have a box to take home?

(working out may vary per student)

Every visitor will receive a box that contains 6 eggs but as it is shown on the diagram, there will be 2 eggs left over.

P&C Meeting Tuesday 20th October 7pm

We'd love to see you at our next P&C Meeting on Tuesday 20th October at 7:00pm in the school library.

P&C meetings are a great opportunity to meet new families, stay up to date with what's happening at Marmion, and have a say in how P&C funds are raised and spent. Funds raised through P&C events help support important projects at the school such as improving the undercover area, upgrading play spaces and enhancing classroom technology to support student learning.

With our exciting 70th Birthday Fete on Saturday 21st November fast approaching, we'd love all hands on deck in these final weeks to help make it a fantastic celebration for our school community!

Whether you can volunteer your time, share ideas or lend a hand at upcoming events, we'd love to have you involved!

Colour Run Friday 16th October 1:40pm

Marmion P&C is excited to announce that our annual Colour Run is back on Friday 16th October.

It's one of our biggest fundraising events of the year and a favourite among our students!

The Colour Run is all about participation, fun and community spirit with students from Pre-Primary to Year 6 enjoying a colour-filled afternoon while helping raise money for our wonderful school.

Our Kindy students are also very welcome to join in the event with parent supervision.

Parents can collect their Kindy children from class at the end of recess and bring them along to the oval.

WHEN IS IT?

Friday 16 October (Week 1, Term 4)

Main Oval from 1:40pm

Parents are very welcome to come along and watch!

WHAT TO WEAR?

ALL BLACK OR WHITE CLOTHES – students can wear these to school for the entire day.

Sunscreen, a hat and please bring along a water bottle

Old sneakers or running shoes

Goggles or sunglasses (optional)

WHAT TO EXPECT?

Students will run around the oval, getting splashed with colourful powder while navigating a few simple obstacles. There'll be music, games and plenty of fun throughout the afternoon!

Participation is via a donation to the P&C on the Qkr! app or via direct deposit to the P&C bank account. This helps cover the cost of the event with additional funds raised going directly back to our school to cover playground upgrades, undercover area improvements and many of the items on our Teacher Wishlist.

CAN YOU HELP?

As always these events cannot happen without the assistance of volunteers! We will need 20 volunteers to help with set up, powder squirting, powder refilling and pack down. If you can lend a hand on the day - please sign up here: [https://](https://signup.com/go/HJkVuEv)
